

## EOS Notice

Effective **October 1, 2011** the following products and modules will begin the End of Sales (EOS) process and are being moved to the spares section of the worldwide price list. The EOS process extends to **December 31 2011**. After **December 31 2011** products and modules in the EOS process will no longer be orderable and the End of Life (EOL) process will begin.

The following products are affected by this EOS notification. A substitute product can be used depending on the requirements.

EOS Equipment	Replacement
SMCFS8	SMCFS801

Edge-Core/SMC Networks continues to strive to provide End of Sale notice several months before the End of Life notification. Those part numbers placed into the certified spare parts section of the price list can be ordered for the next **three months**. Please note that availability of EOS products cannot be guaranteed. Appropriate forecasts are required. Bundles and upgrades that have been discontinued cannot be ordered any longer.

For more information, please email to [apacpm@smc-asia.com](mailto:apacpm@smc-asia.com) or contact your local sales/account representative.
